Allergy warning:
We are plant-based oriented catering company, therefore we don't use any animal products such as eggs, dairy or other animal ingredients. In our food production, we use plant-based ingredients, with emphasis on nuts, seeds, gluten-free grains, gluten grains and organic soy products. Many of them are common allergens, and they can be found in all our dishes, even in traces. If you are nut, soy or gluten intolerant, please ask our servant to fully explain the ingredient list in dishes that we offer.
